EXECUTIVE SUMMARY

AUDIT EXAMINATION OF THE JOHNSON COUNTY SHERIFF

For The Year Ended December 31, 2007

The Auditor of Public Accounts has completed the Johnson County Sheriff's audit for the year ended December 31, 2007. Based upon the audit work performed, the financial statement presents fairly, in all material respects, the revenues, expenditures, and excess fees in conformity with the regulatory basis of accounting.

Financial Condition:

Excess fees decreased by \$35,157 from the prior year, resulting in excess fees of \$628,398 as of December 31, 2007. Revenues decreased by \$33,254 from the prior year and expenditures increased by \$1,903.

Report Comment:

• The Sheriff's Office Lacks Adequate Segregation of Duties

Deposits:

The Sheriff's deposits were insured and collateralized by bank securities.

The Honorable R.T. Daniel, Johnson County Judge/Executive The Honorable William D. Witten, Johnson County Sheriff Members of the Johnson County Fiscal Court

Independent Auditor's Report

We have audited the accompanying statement of revenues, expenditures, and excess fees regulatory basis of the Sheriff of Johnson County, Kentucky, for the year ended December 31, 2007. This financial statement is the responsibility of the Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for County Fee Officials issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriff's office prepares the financial statement on a regulatory basis of accounting that demonstrates compliance with the laws of Kentucky, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues, expenditures, and excess fees of the Sheriff for the year ended December 31, 2007, in conformity with the regulatory basis of accounting described in Note 1.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated June 25, 2008 on our consideration of the Johnson County Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be considered in assessing the results of our audit.

The Honorable R.T. Daniel, Johnson County Judge/Executive The Honorable William D. Witten, Johnson County Sheriff Members of the Johnson County Fiscal Court

Based on the results of our audit, we have presented the accompanying comment and recommendation, included herein, which discusses the following report comment:

• The Sheriff's Office Lacks Adequate Segregation Of Duties

This report is intended solely for the information and use of the Sheriff and Fiscal Court of Johnson County, Kentucky, and the Commonwealth of Kentucky and is not intended to be and should not be used by anyone other than these interested parties.

Respectfully submitted,

Crit Luallen

JOHNSON COUNTY NOTES TO FINANCIAL STATEMENT

December 31, 2007

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

A fee official uses a fund to report on the results of operations. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fee official uses a fund for fees to account for activities for which the government desires periodic determination of the excess of revenues over expenditures to facilitate management control, accountability, and compliance with laws.

B. Basis of Accounting

KRS 64.820 directs the fiscal court to collect any amount, including excess fees, due from the Sheriff as determined by the audit. KRS 134.310 requires the Sheriff to settle excess fees with the fiscal court at the time he files his final settlement with the fiscal court.

The financial statement has been prepared on a regulatory basis of accounting, which demonstrates compliance with the laws of Kentucky and is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this regulatory basis of accounting revenues and expenditures are generally recognized when cash is received or disbursed with the exception of accrual of the following items (not all-inclusive) at December 31 that may be included in the excess fees calculation:

- Interest receivable
- Collection on accounts due from others for 2007 services
- Reimbursements for 2007 activities
- Tax commissions due from December tax collections
- Payments due other governmental entities for payroll
- Payments due vendors for goods or services provided in 2007

The measurement focus of a fee official is upon excess fees. Remittance of excess fees is due monthly to the County Treasurer.

C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

JOHNSON COUNTY NOTES TO FINANCIAL STATEMENT December 31, 2007 (Continued)

Note 1. Summary of Significant Accounting Policies (Continued)

D. Fee Pooling

The Johnson County Sheriff is required by the Fiscal Court to participate in a fee pooling system. Fee officials who are required to participate in fee pooling deposit all funds collected into their official operating account. The funds are then paid to the County Treasurer on a monthly basis. Invoices are submitted to the County Treasurer to document operating expenses. The County Treasurer pays all operating expenses for the fee official.

Note 2. Employee Retirement System

The county officials and employees have elected to participate in the County Employees Retirement System (CERS), pursuant to KRS 78.530 administered by the Board of Trustees of the Kentucky Retirement Systems. This is a cost-sharing, multiple-employer, defined benefit pension plan that covers all eligible full-time employees and provides for retirement, disability, and death benefits to plan members.

Benefit contributions and provisions are established by statute. Nonhazardous covered employees are required to contribute 5.0 percent of their salary to the plan. The county's contribution rate for nonhazardous employees was 13.19 percent for the first six months and 16.17 percent for the last six months of the year.

Benefits fully vest on reaching five years of service for nonhazardous employees. Aspects of benefits for nonhazardous employees include retirement after 27 years of service or age 65.

Historical trend information pertaining to CERS' progress in accumulating sufficient assets to pay benefits when due is presented in the Kentucky Retirement Systems' annual financial report which is a matter of public record. This report may be obtained by writing the Kentucky Retirement Systems, 1260 Louisville Road, Frankfort, Kentucky 40601-6124, or by telephone at (502) 564-4646.

Note 3. Deposits

The Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) as required by KRS 66.480(1)(d). According to KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the Sheriff's deposits may not be returned. The Sheriff does not have a deposit policy for custodial credit risk but rather follows the requirements of KRS 41.240(4). As of December 31, 2007, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

JOHNSON COUNTY NOTES TO FINANCIAL STATEMENT December 31, 2007 (Continued)

Note 4. Additional Bank Accounts of the Johnson County Sheriff

A. Asset Forfeiture Account

This account consists of funds obtained through drug forfeitures and seizures. The beginning balance was \$7,827. Total receipts during 2007 were \$187. The Sheriff expended \$6,175 to purchase a vehicle for the Sheriff's office. As of December 31, 2007, the balance was \$1,839.

B. <u>Undercover Operations Account</u>

The Sheriff maintains this account to conduct undercover drug operations, purchase equipment, and promote drug awareness. The beginning balance was \$7,902. Total receipts during 2007 were \$21,146 (\$17,812 from undercover drug operations; \$1,700 from the sale of vehicles and equipment; \$1,500 from local business; \$134 interest). The Sheriff expended \$ 17,777 to purchase vehicles and equipment for the Sheriff's office. As of December 31, 2007, the balance was \$11,271.

C. Rewards Account

The Sheriff maintains this account to offer rewards for information leading to the arrest of those that commit criminal acts. The beginning balance was \$2,385. Total receipts for 2007 were \$122 which was interest earned. The Sheriff expended \$0 during 2007. As of December 31, 2007, the balance was \$2,507.

Note 5. Federal Grant

The Sheriff's Office contracted with the United States Army Corps of Engineers to provide patrols for Paintsville Lake during the summer months. The amount received under the contract during calendar year 2007 was \$16,308.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

CRIT LUALLEN AUDITOR OF PUBLIC ACCOUNTS

The Honorable R.T. Daniel, Johnson County Judge/Executive The Honorable William D. Witten, Johnson County Sheriff Members of the Johnson County Fiscal Court

> Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards

We have audited the statement of revenues, expenditures, and excess fees - regulatory basis of the Johnson County Sheriff for the year ended December 31, 2007, and have issued our report thereon dated June 25, 2008. The Sheriff's financial statement is prepared in accordance with a basis of accounting other than generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Johnson County Sheriff's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiency or material weaknesses. However as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with the regulatory basis of accounting such that there is more than a remote likelihood that a misstatement of the entity's financial statement that is more than inconsequential will not be prevented or detected by the entity's internal control over financial reporting. We consider the deficiency described in the accompanying comment and recommendation to be a significant deficiency in internal control over financial reporting.

The Sheriff's Office Lacks Adequate Segregation of Duties

Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards (Continued)

Internal Control Over Financial Reporting (Continued)

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the entity's internal control. Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we consider the significant deficiency described above to be a material weakness.

Compliance And Other Matters

As part of obtaining reasonable assurance about whether the Johnson County Sheriff's financial statement for the year ended December 31, 2007, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

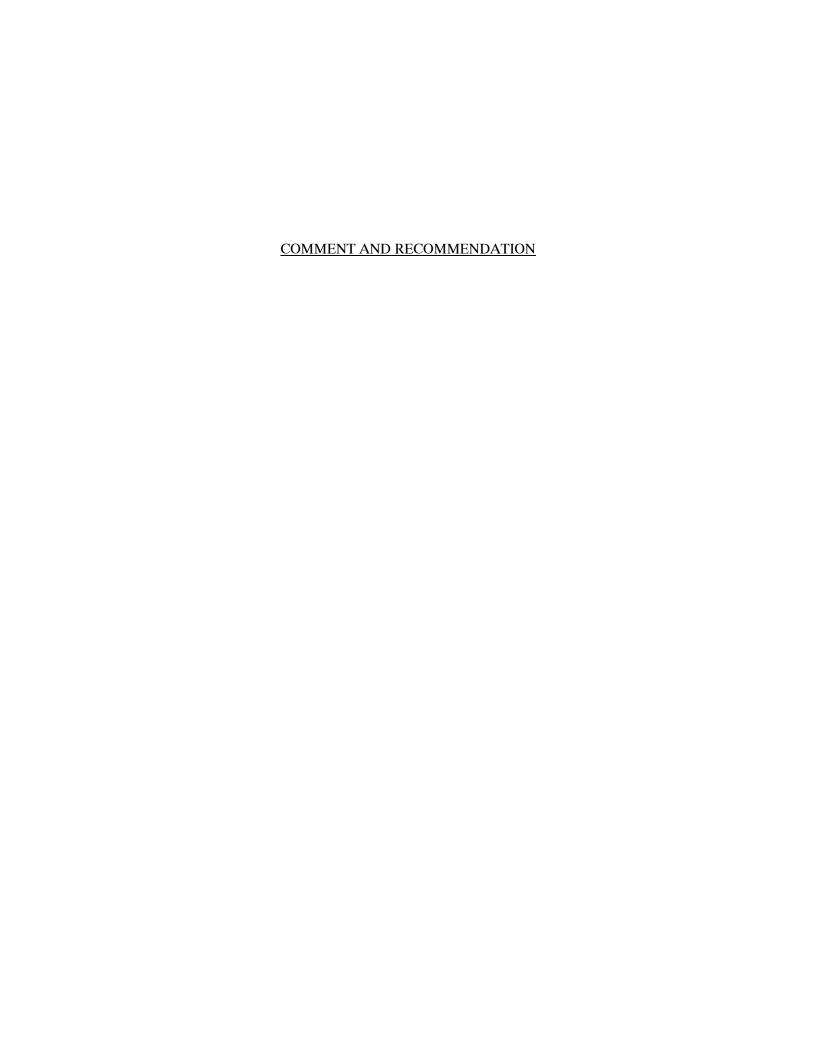

This report is intended solely for the information and use of management, the Johnson County Fiscal Court, and the Department for Local Government and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

Crit Luallen

Auditor of Public Accounts

June 25, 2008

JOHNSON COUNTY WILLIAM D. WITTEN, SHERIFF COMMENT AND RECOMMENDATION

For The Year Ended December 31, 2007

INTERNAL CONTROL - MATERIAL WEAKNESS:

The Sheriff's Office Lacks Adequate Segregation Of Duties

The Sheriff's office lacks adequate segregation of duties over receipts and disbursements. Good internal controls dictate the same employee should not receive, process, and record receipts and disbursements, as well as prepare quarterly and annual financial statements. The same employee that records collection totals to the receipts ledger also made daily deposits and prepared the quarterly and annual financial statements. The following compensating controls should have been implemented to offset the lack of segregation of duties. The Sheriff should periodically compare the daily deposit to the daily checkout and the receipts ledger. Any differences should be reconciled. The Sheriff should document this review by initialing and dating the bank deposit, daily checkout sheet, and receipts ledger. Additionally, the Sheriff should compare the quarterly financial report to the receipts and disbursements ledgers for accuracy. Any differences should be reconciled. The Sheriff should document this review by initialing and dating the quarterly reports and ledgers.

Sheriff's Response: No Response
